# China Cry - Operation Pearl Article

---

In CHINA IMPACT MINISTRIES has sown in a major way by the SEEDING OF SCRIPTURE into the Central and the Southern part of the Revival Region. We have just completed, "OPERATION PEARL" over a span of 16 months, where we purchased and emptied a hidden Chinese Bible warehouse in an Islamic Republic. By the grace and help of God, IMPACT MINISTRIES was able to deliver with their teams, every page of these New Testaments and Psalms, directly into the heart of the earth's most heated revival. Not only is China ablaze with an outpouring of God in terms of numbers of converts, but this has been a sustained move of God since the early 1950's where the estimated Church has grown from several million to most scholars believe in excess of over 100 million Believers. The Chinese pastors are calling to us and pleading, saying, "GIVE US THE WORD OF GOD, GIVE US THE BREAD OF LIFE". Pastors and leaders desire a full Bible with reference and teaching aids. These can be supplied at \$5.00 each. The rank and file of the Church are simply asking for their first copy of the New Testament with Psalms and Proverbs which is more than adequate grounding for their first year of conversion.

Some official printings in the past of Bibles by government presses in China have been more of a publicity stunt than actual distribution for the Church masses. Recently we heard of 50,000 Chinese Bibles that were printed. After the television cameras rolled their footage and ribbons were cut, we later found that 48,000 of these Chinese Bibles were shipped out of China to appear at book fairs around the world, showing what great religious freedom there is in China. ISBN plus control numbers are often a means by government to ensure a small token that have demonstrated their cooperation with the Communist Regime, receive a Bible which is dually registered in their name with the attached control number. In some rural Provinces, those that did not have their registered Bible on their premises received prison sentences. The Chinese Communist government is Atheistic and not even Satan is in the habit of shooting himself in the foot.

IMPACT MINISTRIES has secretly delivered over a million Scriptures. God has given us a means where-by, if we had the funding, we could deliver 300,000 New Testaments at a time to China. These New Testaments have no ISBN control number and therefore, enrage the Communist Regime because they don't know where the Bibles have gone to; how many have come into the country and who possesses them.

For only a donation of \$1.00 Impact Ministries can put 5 New Testaments into the hands of a waiting believer in China. They tell us that for every New Testament that reaches China, it affects at least 15 souls. Think of it: For \$1,000.00 (one thousand dollars) we can purchase and deliver 5,000 Chinese New Testaments or it can eternally touch a maximum of 75,000 believers. God's WORD will not return lifeless or VOID. It will topple tyrants, fracture the foundations of the enemies' kingdom and establish Salvation in the heart of the GENERATION THAT RECEIVES THE SEED OF THE WORD .

"OPERATION PEARL, PHASE II" is to reach China with an additional one million New Testaments, Psalms & Proverbs before the Olympic Games in August of 2008. Impact Ministries needs you to partner with us in this venture of FAITH and change the Spiritual geography of Asia and the WORLD. One out of every three people on the planet are Asian. What an ARMY GOD COULD USE if we could just put the SWORD OF THE SPIRIT WHICH IS THE WORD OF GOD INTO THEIR HANDS.

Over 70 million hands in China are waiting for their first time copy of Scripture. How will you answer their cry?
