

CHINA CRY AND PRECIOUS PEARLS

Over 25 years ago, Sara and I, long before Perestroika entered into a secret meeting on the outskirts of Kiev. We both felt humbled as we were introduced to 23 of the top Christian leaders of the Unregistered Church. For them to have been in one place at one time was a tremendous risk to the fabric and leadership of these vital churches. We were further humbled to hear one of the brothers say, “We have watched your ministry for nearly 10 years and feel that we can trust you and would like to pray with you.” Before the prayer began a 24th person entered the room, led by the Holy Spirit to that very place and to that gathering unannounced. He, like the others had either spent years in prison for their faith in Christ or suffered heavy seize and persecution on a personal plane. Turning to me, he called out my name, which was given to him by the Holy Spirit. He then said, “Richard Michalski, you have ten items on your prayer list before the Lord. The first eight will be fulfilled within the next 48 hours and they were. The last two will tarry awhile. In order of priority, he mentioned all eight of the items in the sequence I had placed them. The last two items I hadn’t even as yet shared with my wife, Sara. They were to go and minister in China and Africa. This divine appointment whose hour of fulfillment has come, has tarried until this year.

Lord willing, Sara and I will be going to China and Africa very soon. To pave and prepare the way for these trips, we have sown in tears of intercessory prayer and expect to reap a **HARVEST OF JOY!** In **CHINA** we have sown in a major way by the **SEEDING OF SCRIPTURE** into the Central and the Southern Part of the Revival Region.

A few years ago God prophetically affirmed His promise of our youth. One prophetic Word through our son, Jason was given in the Kirgizi language, which was overheard by Sara’s mother. She brought papa Ilyin and Sara into the room for continued prayer. There, the message of the Spirit assured them of God’s covering care in the upcoming trip into the Tundra; telling them He would plant churches through them and protect them from plots against their life. The prophetic message ended with the clarity of God’s declaration of Sara, Jason and I soon going into China. There, we would see many thousands saved and millions affected by the **WORD**. The Kirgizi language is a language that Sara’s parents spoke in China for over 25 years, so the confirmation came to them as well as to us.

Sara, later in a Chinese church in San Diego, California spoke prophetically in Mandarin Chinese to a sister in desperate need both in her health and in her marriage. The Lord ended this prophetic Word with again affirming our **GOING INTO CHINA SOON!** That time has **NOW COME!** We need your covering and help to prepare for the upcoming China trip. Airfares and ground cost for both Sara, Jason and I will cost thousands of dollars. This is a **NEW CHAPTER for IMPACT MINISTRIES** and for our service in the Lord. For Sara, it will be a return back to her roots and her

birthplace. For Jason and I, it will be an opportunity to be part of the birthing of many sons and daughters in Christ Jesus.

Before us is the opportunity of purchasing and shipping large quantities of ***SCRIPTURES and Children's teaching material into CHINA to be the SEED and birthing of our HARVEST.*** This Chinese Scripture project is in two stages:

1. **First of all, we are emptying a warehouse of Chinese New Testaments in an Islamic Nation and putting them directly into the heart of Chinese Revival for a miracle pricing of 5 for a dollar. This means for a \$1,000.00 we can release and deliver 5,000 New Testaments into the hungry hands and hearts of China's waiting millions. For every New Testament that reaches a believer, they are telling us, it affects a minimum between 5 to 15 souls. By this you can see how eternally affective your giving for the China Cry Project can be.**
2. **Stage two of the program will be the delivery of a hard cover of the Chinese full Bible. This will assure the Chinese Church access to the full council of God and the teachings of His Word from Genesis to Revelation.**

“Operation Precious PEARL” by name will begin the moment we have emptied the hidden warehouse of Chinese New Testaments of its original one million copies. With less than 400,000 Chinese New Testaments to go, we are prayerfully planning “OPERATION PRECIOUS PEARL” to begin in late spring or early summer.

The first step of this project will be to empty the existing supply of Chinese Full Bibles in surrounding nations to China. Following this stage, Impact Ministries is believing to print 2,000,000 special editions of the Chinese Full Bibles to celebrate the up-coming 2008 Olympic Games. This special celebration edition will cost Impact Ministries \$3.00 to print and deliver this high quality, full featured Bible. Help us enter this dry and thirsty land with our team members and our hands full of the *TREASURE OF GOD'S PRECIOUS WORD.*****

Help us turn the page of our lives into this new chapter of GRACE.

Upon our return, we will share with you how together we have rejoiced the heart of God in the Salvation of the LOST.

Any gifts, earmarked on the memo line of your check, **“CHINA CRY” or “PRECIOUS PEARLS”** will go towards these projects. God bless you for walking and working with us in the ***RIPENED HARVEST OF THE EARTH!***
